Frequently asked questions

Where can I do this?

Almost anywhere from inner city challenges to country parks, hotels and conference centres. We'll come to you or you can travel. If you're unsure about a good venue near to you then give us a call and we'll recommend a choice of venues to suit your budget or theme. The one exception is the use of Ropes Courses – we can only use a venue that has them! Our base is the Albrighton Hall Hotel in Shrewsbury (our brand new Ropes Course facility opens in July 2006) but we have favourites that are scattered literally throughout the UK and Ireland. Call us for more details.

How much does it cost?

Our prices are VERY competitive. We do not charge for travel inside the UK and only expect reasonable rates for accommodation for courses of more than one day and food.

For a Facilitated Course

1 Facilitator per group of 10 - £750.00

1 Safety Technician per three groups of 10 - £450.00

For a Fun Away Day

1 Safety Technician per group of 10 - £450.00

1 Event Assistant per two groups of ten - £350.00

We provide all safety equipment and in most cases, we will pay for the Ropes Course if it is required.

Please add VAT to all prices.

On top of this, you book the venue and provide meals and accommodation for the duration of the course, if required.

Do I have to be fit?

Absolutely not. Our average client is an office-bound 30 – 50 year old. We try to balance our problem-solving activities into Physical, Cerebral and Team-Based. You set the rules on activities and we'll design a course that suits your specific aims, taking into account individual and group needs and geographical constraints. If you are booking a Ropes Course event, some of your more nervous colleagues will be relieved to know that we operate a strict *Challenge By Choice* policy where no one will be coerced into doing anything that they do not want to do.
